

# CX100: ADVANCING EMPLOYMENT OPPORTUNITIES FOR YOUTH

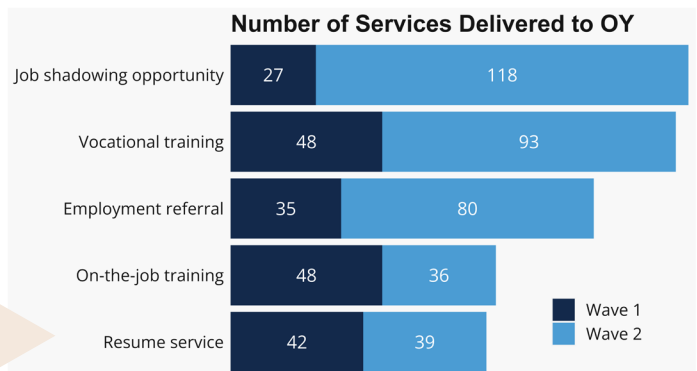

Carolina Across 100's *Our State, Our Work* program with **13 community collaboratives** aims to connect North Carolina's Opportunity Youth (OY) across **37 counties** to employment or educational pathways. OY are 16-24-year olds who are not in school and not working. The data collected below from the Shared Measurement System from **Aug 2022 to Aug 2023** detail the teams' delivery of services to OY and other youth who may be at-risk but do not fit this definition.

## SERVICES DELIVERED TO YOUTH

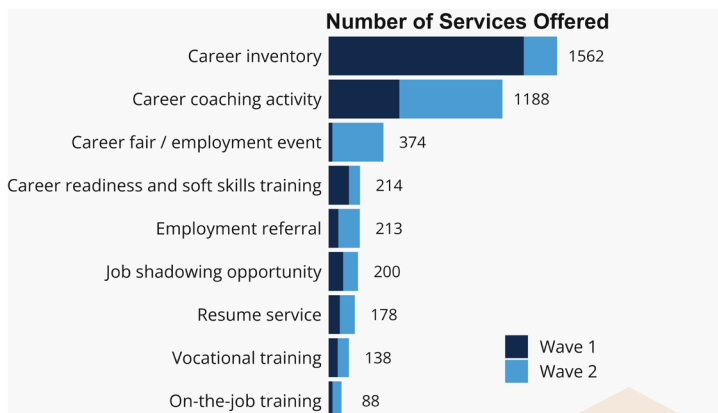

- The number of employment services delivered to OY increased to **973** in Wave 2 even though Wave 2 was 7 months shorter than Wave 1.
- Service delivery focused more on OY in Wave 2.

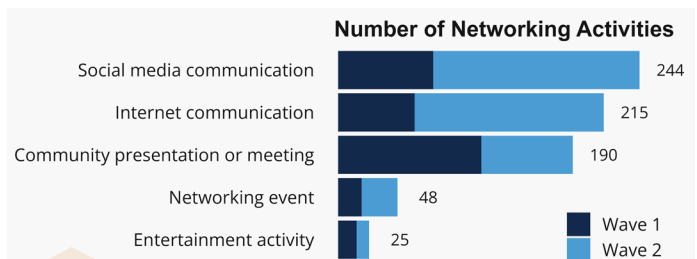

Service delivery to OY increased by up to **337%** in Wave 2 for services most directly related to employment.

## EMPLOYMENT SERVICES OFFERED

With the exception of career inventories, the number of employment services offered increased or remained stable in Wave 2 compared to Wave 1.

## NETWORKING ACTIVITIES

Despite Wave 2 being a shorter time period than Wave 1, there was an absolute increase in social media outreach, internet outreach, networking events, and entertainment activities, and a relative increase in community meetings.
